

***Three Year Capital Plan
2022-2025***

The Board of Trustees approved the 2022 – 2025 Three Year Capital Plan on March 10, 2021 and submitted its priorities to Alberta Education.

The priorities approved by the Board are:

1. The modernization with addition of Hunting Hills (building envelope, mechanical, electrical, and functional)
2. New Grade 6-8 school in North East Red Deer, 600 spaces
3. The modernization of Gateway Christian School (architectural, mechanical, electrical, and functional)
4. The modernization of Fairview Elementary School (full mechanical and electrical, architectural, and functional)
5. The modernization of Glendale School (CTS upgrade, partial mechanical, electrical, and functional)
6. New Grade 9-12 High School, North East Red Deer, 1000 spaces
7. The modernization of Eastview Middle School (architectural, mechanical, electrical, and functional)
