 1. The gym opened this week! The flooring is strong enough for wheelchair basketball (any events of this kind will be held at Eastview going forward), new paint and sound barriers likely over Christmas;
 2. The front entryway is a work in progress, when complete, it will be accessible for all, anyone entering the school will be funnelled through the office instead of into the main foyer.
 3. Attendance average for September was 92-97% - this is similar to past years, in October there were only 2 days that attendance was lower than 90%.
 4. Volleyball started this week - more info will come to parents soon, information will come out on other sports as decisions are made.
 5. Parent teacher interviews will be on Nov 5/6. Parents will get the option of a phone call or a google meet, 10 minute meetings.
