 - Chad Erickson - Public Engagement - From March 1-4, 2021 Thoughtexchange will start engaging our community, staff and students. The question that will be asked are:
 - What should our schools do for our students to be successful in school and life?
 - On March 8, 2021 Thoughtexchange will follow Up ThoughtExchange
 - Stop, Start and Continue to achieve the results that were identified in round 1
- ASCA - Shelley Odishaw
 - Many studies show that student learning is improved with parental involvement in schools. The recent funding cut to ASCA has the organization looking for parental input to help us explain our 'why' and assist with securing funding. We are looking for 1-2 minute video testimonials that answer these two questions:
