School Report.

- We are slowly re-introducing some of the activities we did pre-Covid.
- Grade 4 and 5 Basketball has started. We are running it as a noon hour activity and looking at the possibility of a tournament in April.
- Choir started and 100 students attended the first practice.
- Grade 2-4 swimming will take place. Fees have been added to student accounts.
- LLI, as well as literacy and math intervention for grade 1-3 is underway. We recently hired Rachelle Stang for grade 1 support (halftime).
- Lorna Armstrong stepped down as our head caretaker. She was the best and will be greatly missed. Myren, our evening caretaker, has also taken on a new role.
- The next assembly is hosted by the Kindergarten. We will be inviting the K parents to attend and streaming the assembly to the rest of the classrooms.
- We are able to do field trips again. We have asked for parents for \$40 (as we have in the past) to help cover costs.
- We have offered in-person and online conferences. A third of parents prefer the online/phone call option.
- Intention surveys were sent out to parents. These are very helpful for our planning and staffing.
- Grade 5 Camp will not be happening this year. The Grade 5 Team will be planning a year end event.
