Dear Parents and Guardians,

It is hard to believe that another school year has passed so quickly! At Fairview Elementary, we are very fortunate to have a dedicated, caring, and hardworking team of professionals (Teachers, Educational Assistants, Office Staff/Librarian, CLW, Custodian, and other school-based and district-based Support Staff) who work together to ensure that every child has the best educational experience possible. This team always goes above and beyond to ensure that students are exposed to a variety of activities to enhance and enrich their school experience.

Our students deserve recognition for their passion for learning and sense of humor. These students give teachers a sense of joy, purpose, and positivity. While it is especially difficult to say goodbye to our grade 5s as they walk out the doors for the last time, we are thrilled to continue to watch them grow and flourish in their middle school years. Congratulations, Firebirds! You are strong and successful! We are proud of you.

Through all the ups and downs of the year, Fairview Pride managed to ensure a sense of connectedness and sustained caring and supportive relationships. In these halls, great things happened in academics, arts, sports, health and wellness, friendships, and maturity. We all grew and learned and had an amazing time.

Our parents have had a crucial role in supporting their children's learning this year. We know it hasn't been an easy job, but it's been such an important one. Stay diligent through June - adequate sleep, home structures, and great nutrition help us keep students focused on learning. Our goal is to make each day count. Your partnership in this last push makes all the difference. Thank you for your patience, encouragement, understanding, and support throughout this school year. A huge thank you to our School Council team, who volunteered much of their time to lead, support, and nurture our school and student needs.

Staff Changes

Fairview School is filled with stories. Stories in the books we read, the events that unfold, and the stories each of us brings to our school community! Each year, we come together to form another chapter in the story of this 'Special place.' As we end one chapter, we would like to recognize our staff members who are leaving. We send our best wishes to the following people who will transition to new places: Sally Frazer (Retiring Teacher), Deanna Labranche (Teacher), Eric Armitage (Teacher), Olga Amy (Teacher), Sue Carter (EA), Jaylene Holwegner (EA), Cade Joslin (EA). To each of you within your varied roles, I wish to thank you for your leadership, integrity, enthusiasm, commitment & resiliency. We acknowledge your support throughout the year with our sincerest gratitude.

Excitedly, we welcome the newly assigned staff members: Annah Goudy, Alex Whalen (Teachers), and Michael McAuliffe (EA). We can't wait to grow even stronger together! We are confident that you will be a tremendous addition! Undoubtedly, you will lead Fairview with dedication and commitment to continuing the legacy of this amazing school. What an opportunity that lies ahead!

I wish you all - parents, students, and staff alike - a safe and restful summer. This past year has been one of my career's most rewarding (serving this beautiful community/family). As you begin playing the tune 'School's Out for Summer,' I wish you the absolute best in the next stage of the journey can possibly bring. Rest, rejuvenate, and be ready for the year ahead. I miss you already!

With respect and gratitude,

Teresa Tataryn
Principal Fairview Elementary School

After a rewarding 46 year career with Red Deer Public, Sally Frazer, Teacher at Fairview Elementary School, is retiring.

Sally said, "In my retirement I plan to think outside the school box and spend more time with my friends and family." Enjoy your time Sally! Thank you for all you've done to help students succeed!
