PRINCIPAL'S MESSAGE

We have all heard the saying, and are possibly getting tired of hearing it, "we are all in this together". This has never been more true than what we all experienced this year at DCE. I would like to sincerely thank all staff, students, and our families for helping to get us through this year. Through some challenging and often frustrating times, we have all persevered! Our staff is extremely proud of how hard our students have worked with their learning. They can be proud of their efforts and deserve a well earned Summer break! I wish all of you a safe and relaxing summer with friends and family.

We would like to wish **Mrs. Wiltse** a farewell as she looks forward to a new chapter in her life. Thanks for making a difference for our students. We hope you enjoy your retirement. Also, we would like to extend our best wishes to **Mrs. Fedun** who is expecting her third child this summer. **Mrs. Krause** will remain at DCE and join our grade one teaching team. We would also like to welcome back **Rhonda Sproxton**.

We have many other changes to our staff. **Kim Johnson** was selected to join our School Division's Literacy Recovery Team. This is a great honor for Kim and we wish her all the best. **Patrick Swieger** will be joining our DCE team. He did his practicum at DCE this year and made many great connections. **Tracy Halladay** will be our Learning Assistance Teacher next year.

We will also be saying goodbye to a few of our EA's. **Sarah Rollingson, Jordan Galloway, and Emma McKay** will be moving on in the Fall. We wish them all the best and thank them for a great year!
