Dear Parent / School Volunteer:

In an effort to maximize the safety of your children and our students, the Red Deer Public School District has a policy on school volunteers. All adults who volunteer in a school or at a school-sponsored activity, and who will have opportunity to interact with students during the course of their volunteer service, will need to provide the school with a Police information check (formerly known as a Criminal Record Check) and TWO written references that confirm the suitability of the individual to serve as a school volunteer.

Please note that although these measures will involve a small amount of work on your part, we believe they will go a long way to enhancing the safety of your children. To make it as easy as possible for you to meet these new requirements, we have attached the following template documents to this letter:

- School Volunteer Registration Form (for you to complete & return to the school)
- Police Information Request Form, including a request for a Vulnerable Sector Check (for you to complete and provide to the RCMP when requesting a Police Information Check - provide a copy to the school when complete. This is now done online through the City of Red Deer website - [here is the link](#))
- Volunteer Reference Form X 2 (for you to use in obtaining references and to provide completed references to the school upon completion)

Please feel free to make copies of these template documents as needed, or to ask the school office staff to make additional copies for you. We will be more than pleased to make it as easy as possible for you to provide the necessary documentation.

We understand that the fee for obtaining a Police Information Check when the individual making the request plans to serve as a volunteer is \$5.00. You can upload this letter to provide proof of volunteer status. When you have requested and paid for the Police Information Check, please bring your receipt to the school and we will be pleased to reimburse you. You will also need to upload a government issued ID when applying online for this document.

If you plan to volunteer at more than one RDP School within the District, you are ONLY required to complete one set of this documentation. With your consent, we can share the documentation with any other school(s) you plan on volunteering with.

Thank you for your willingness to serve as a volunteer and for your understanding in meeting these requirements in order to enhance the safety of your children and our students.

Yours sincerely,

Mrs. Lori Irvine
