COVID-19 PARENT LETTER #11

January 8, 2021

Dear Families,

RE: Return to in-person classes on Monday, January 11

I hope you had a restful and peaceful Christmas break. We have enjoyed seeing our students and staff engaged in Temporary Online Learning this week, and we are very excited to **welcome all students from Kindergarten to Grade 12 back to the classroom on Monday, January 11** as directed by the Provincial Government.

As we return to the classroom, we want to remind families of the importance of being diligent with our health protocols so our focus can be on teaching and learning. This includes:

- Keeping your child home if they have had risk of exposure or are exhibiting symptoms. We encourage families to remain vigilant and use the [Daily Health Checklist](#) before sending your child to school each morning.
- We will continue our enhanced cleaning protocols, hand sanitation, mask requirements and many other changes that were implemented at the beginning of the school year as the health and safety of our students and staff continues to be a top priority.
- We encourage families to visit our Division [website](#) that has the most current and up to date information.

We appreciate your support and understanding during these challenging times. We wish all of our families the very best in 2021. We truly hope it's not long before we are able to return to more normal operations. In the meantime, please take care.

Sincerely,

Chad Erickson
Superintendent of Schools
