COOKING

JUNIOR CHEFS

Gain confidence in the kitchen as you learn to cook or bake in a safe environment that encourages both discovery and creativity. With a balance of fun and education, our Junior Chefs will engage in cooking, learning healthy eating habits and using new skills to create their own dishes. Our highly trained chefs will ensure you get a hands-on learning experience to develop your life-long love for culinary arts. Activities will involve working in groups of two. Our combo camps involve a half-day in the kitchen and a half-day participating in organized recreation or sports activities.

**Please note that we are unable to make dietary accommodations in our cooking camps*

NEW! Junior Chefs – Next Steps

Delve deeper into the more technical aspects of cooking and baking. Learn how to sear, bake, sauté and broil food to create delicious dishes. Gain an in-depth understanding of cooking and baking.

SCIENCE

Get dirty with hands-on experiments in real laboratories, while learning safety measures and original material in an engaging way. Camp activities are adjusted to each camper's learning capacity so that every camper is challenged, rewarded and has a positive experience. High quality, energetic instructors teach sophisticated STEM (science, technology, engineering and mathematics) curriculum with fun methods, created to leave campers feeling confident and excited about science!

Note: Science camps end at noon on Fridays.

Codemaker Techy & Robotics

Become a designer, creator and inventor of interactive games and music! Enhance your computer skills with coding and problem-solving activities like robotics, 3D animation, game design and much more.

**Codemaker Techy & Robotics 1 is a pre-requisite for Codemaker Techy & Robotics 2*
**Codemaker Girls from Summer 2017 can be used as a pre-requisite for Codemaker Techy & Robotics 2*

DAY CAMPS – GOOD TO KNOW

Unless otherwise noted, all camps take place on the Red Deer College main campus, Monday to Friday, 9:00 am to 4:00 pm. Note: Science camps end at 12:00 pm on Fridays.

WAIVER

Within two weeks of registering, you will receive a welcome package and a mandatory waiver form via email. The waiver will collect all information required to attend camp. This form must be submitted for your child to participate in the camp.

If a medical condition requires special attention or caution (such as nut or bee allergies), please notify the Camp Coordinator prior to the camp start date. Please note that RDC will attempt to accommodate any campers with special needs. Any camper requiring special needs should notify the camp coordinator well in advance.

INFORMATION

Transportation is the responsibility of the parent or guardian. Please have your child at the college 10 to 15 minutes before the camp begins. Pick-up will be done after the parent or authorized adult signs out their child. Please do not drop your child off more than 20 minutes prior to the camp start time, as there is no before and after camp care provided.

Ensure your child is dressed appropriately for all kinds of activity. Please provide a re-usable water bottle and a healthy, hearty lunch for your child each camp day. Due to various allergies, refrain from bringing any food that contains nuts. If you would rather purchase your lunch, there are food facilities on campus.

ACCOMODATION

Limited on-campus accommodation is available for out of town students. Please call 403.342.3527 to reserve your room. You must be accompanied by a parent or chaperone to stay in the RDC residence.

Within two weeks of registering, you will receive a letter with camp information and a mandatory waiver form. The waiver will collect all information required to attend camp. This form must be submitted for your child to participate in the camp.

If a medical condition requires special attention or caution (such as nut or bee allergies), please notify the Camp Coordinator prior to the camp start date. Please note that RDC will attempt to accommodate any campers with special needs. Any camper requiring special needs should notify the camp coordinator well in advance.

COLLEGE-STYLE EATING

We want the best for our students and we know proper nutrition is vital to learning success and general wellbeing. Eat in the college cafeteria, buffet style. We've got you covered for breakfast, lunch and dinner – all meals are included in your tuition price. Please bring extra snacks along with a refillable water bottle.

Dietary restrictions such as vegan, vegetarian or gluten-free? Don't worry – let us know of any special dietary needs and our cafeteria staff will accommodate you.

ACCOMMODATION

While at camp, you will live on campus in our residence facilities consisting of apartment-style accommodations. Each suite contains four single bedrooms, a bath and a kitchen/living room. You will have your own individual bedroom with a locking door. Housing is arranged by age, gender and program. You will be safe and supervised at all times, including night supervision.

SCHOLARSHIPS

A number of organizations, schools and service clubs sponsor students to attend overnight camps at RDC. RDC would be please to reserve a spot if your group is interested in sponsoring a student to attend one of our camps.
