

School Council

You can contact School Council at mattieschoolcouncil@gmail.com

Mattie McCullough School Council is an association of parents, teachers, school administration and community representatives who work together to promote the well being and effectiveness of the entire school community. All parents with children attending Mattie McCullough are invited to participate in the activities of the School Council. Meetings occur once a month and last approximately 1.5 hours. The meetings provide an excellent opportunity to meet other parents, to stay informed, and provide input into school policies and procedures.

Mattie McCullough Parent Association, which runs parallel with the School Council, raises funds to support special projects in the school.
